Q 17 - Srimathi Kamaladevi (Bangalore - Women).-

Will the Government be pleased to state.-

(a) whether they are aware/of the fact that there are within the Bangalore City Municipal limits colonies of labourers more than a 100 huts in each - without a single water tap, no lights no drainage and no sanitary arrangements of any kind ~~and with which have therefore become breeding grounds of diseases, dangerous to the labourers themselves and to the surrounding localities as well?~~

(b) ~~whether they will be pleased to order immediate steps being taken to provide the more urgent needs of these colonies, viz., drainage and sanitary requirements, even before thinking of changing their location to better places in the post-war scheme which is possibly a far off contingency?~~
